

NordMedia Group

Board Report — Q2 2024

Prepared by: Sarah Mitchell, CEO
Date: May 1, 2024
Classification: Confidential

1. Executive Summary

NordMedia Group has delivered exceptional results in Q2 2024. CEO Sarah Mitchell presented the board with a comprehensive overview of strategic initiatives that have positioned NordMedia Group as the leading digital media company in Scandinavia. The AI platform launched in collaboration with DataBridge Solutions has exceeded all performance benchmarks set at the beginning of the year.

2. Financial Performance

CFO Marcus Johansson reported a 28% revenue increase compared to Q2 2023. Total revenue for the quarter reached 42 million SEK, driven by digital advertising growth and new partnership agreements. The Norway expansion through Oslo Media House contributed 8 million SEK in new revenue. Copenhagen Digital partnership added an additional 5 million SEK. Marcus Johansson confirmed that NordMedia Group is on track to exceed annual targets by Q3 2024.

3. AI Platform Performance

The AI content platform, built with DataBridge Solutions, went live in April 2024 under the leadership of CTO Anna Bergström and Head of Digital Operations Erik Lindqvist. Since launch, the platform has processed over 50,000 articles and reduced manual content operations by 58%, slightly ahead of the 60% target. DataBridge Solutions CEO James Carter attended the board meeting and presented a roadmap for Phase 2 features planned for Q3 2024. TechVentures AB representative Lisa Holm also attended and confirmed the extended technical support contract through 2025.

4. Organizational Updates

Anna Bergström has formally taken over as Chief Technology Officer and has begun restructuring the technology team to support the AI platform expansion. Erik Lindqvist has successfully led the Gothenburg temporary office operations during the Stockholm headquarters renovation managed by Nordic Construction AB. The board expressed confidence in both appointments made by Sarah Mitchell in Q1 2024.

5. Expansion Plans

Sarah Mitchell presented the Scandinavia expansion roadmap to the board. Partnerships with Oslo Media House and Copenhagen Digital will be extended through 2026. Peter Hansen from Oslo Media House and Maria Andersen from Copenhagen Digital have both signed letters of intent. Scandinavia Press, an early partner of NordMedia Group, will integrate with the AI platform in Q3 2024. The board unanimously approved the additional 5 million SEK investment proposed by Marcus Johansson for the expansion.

6. Outlook

NordMedia Group enters Q3 2024 in a strong position. Sarah Mitchell and Marcus Johansson will present the annual forecast update at the next board meeting in August. Erik Lindqvist and Anna Bergström will lead the Phase 2 AI platform development. The Stockholm headquarters renovation by Nordic Construction AB is expected to complete by September 2024, allowing all teams to reunite at the main office. NordMedia Group remains committed to its mission of leading digital media innovation across Scandinavia.
